INTERVIEW SUMMARY

SIR:

On June 18, 2004, a telephone interview took place between the undersigned and the Examiner. During the interview, undersigned requested assistance in making an amendment involving, among other things, replacing drawings with color photographs. The Examiner explained that he would respond to the question after the quarter, and failing that, the undersigned was to call the Examiner. Applicant requested that no PTO action be taken until the amendment was filed because all claims would be changed as part of the amendment, and the Examiner agreed.

Please direct all correspondence to the undersigned at the address given below.

Respectfully submitted,
